1 Introduction

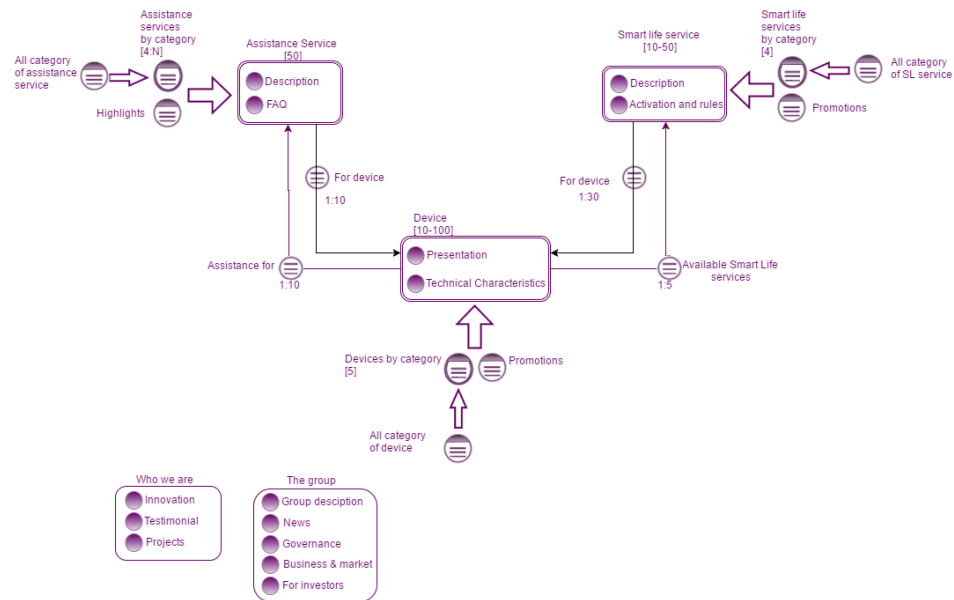

This document contains the IDM schemas for the website of a imaginary company (Youcall), selling telecom infrastructures, devices and services, proposed for hypermedia project of 2016. For creating this schemas we used draw.io online tool. For the mockups we used mybalsamiq online prototyping tool.

2 Diagrams

2.1 C-IDM

2.2 L-IDM

2.3 P-IDM
